LEARN. TEACH. LEAD.

A Full-Day Workshop with:

LIASCD is excited to offer Educators from Long Island and across NY State to participate in a full day workshop with Jay McTighe and Judy Willis. Jay and Judy will be presenting their collaborative work along with sharing ideas on how educators can leverage neuroscience research about how the human brain learns and how to use this information to improve curriculum, instruction, and assessment so our students achieve deep learning and understanding in all subject areas.
